- A Liberty Mutual Service Rep initiated one-time check or EFT payment

However, we will typically mail a refund check in the following situations:

- The refund amount is greater than the last single payment amount received
- Your bank rejects an electronic refund
- Your credit card company rejects an electronic refund

### FEES

- An installment charge may be applied to the outstanding account balance if there is a current installment amount due depending on the payment option chosen. You can avoid future installment charges by paying the Account Balance in full or you may save on future installment charges by enrolling in Electronic Funds Transfer (EFT) payment option.
- If we receive your payment after the due date, you may be charged a late fee of up to \$15.00. Late payments may affect your future premiums, your coverage or continuation of your policy.

## Important Notice - Georgia Uninsured Motorists Coverage

---

If you have chosen to accept Uninsured Motorists coverage from your automobile insurance company, and have any questions after reading this statement regarding Uninsured Motorists coverage or the amount of coverage you have selected, your agent or company representative will be able to assist you. You should have chosen the amount of Uninsured Motorists coverage you want based on this question: If I get hit by someone with little or no liability insurance, how much protection do I need to cover the cost associated with car repair, medical bills, other expenses, and lost wages? If the person who hits your automobile has no liability coverage or liability coverage equal to or less than the Uninsured Motorists amount you chose, your total automobile insurance recovery (from all companies involved) may not exceed the amount of Uninsured Motorists coverage you chose.

The purpose of this notice is informational. This notice does not change or replace the wording in your policy.

## Information about Policy Rate Determination

---

Thank you for trusting Liberty Mutual Insurance to protect the things you value most. We want to provide you with the right coverage at the right price.

Since you purchased your policy, new rating features may have become available, and we want to make sure you take advantage of them. We also want to make sure we have the most up to date information about you, your family, your vehicles and your home to ensure you have the right coverage at the right price.

When determining your rate, we may consider many factors, such as your credit history, claims history, and household risk characteristics. For example, you may be eligible for certain safety discounts if your vehicle includes features such as adaptive cruise control, lane departure warning, and collision preparation systems. Or, you may qualify for a discounted homeowners insurance rate if you have a newly installed roof or connected home devices. If your community recently added new fire stations or moved fire hydrants close to your home, that may also reduce your rate. An improved credit history could also lead to additional savings.

**You may request that Liberty Mutual re-evaluate your current insurance rate with your most recent information, including your credit history, before your policy expires on 06/23/2023.**

Policy rate re-evaluation is limited to one request per twelve month period, or as otherwise permitted by law, and it may not result in a quoted premium lower than your current one. If you would like your policy re-evaluated, please call us at 1-844-316-4423 and someone from our team will be happy to help you.

Discounts, credits and benefits are available where state laws and regulations allow and may vary by state. Please contact your insurance representative for additional details.
